

# Welcome to the Marriage Course!

Join us for eight evenings this fall to build up your marriage. Whether you rate your marriage a "9" or a "2" you'll be pleased with the time spent together making your marriage stronger and happier!

The course starts each evening at 7:00 sharp (please arrive a little early). It starts with teaching, and there are exercise each evening to allow individual couples to work through issues. There is no requirement for group sharing. The course is based on Biblical principles, but you need not call yourself a Christian or have a church background to use this material to good advantage in your life together.

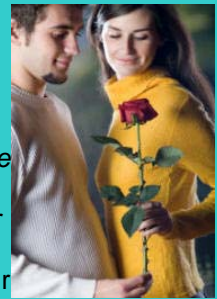

The \$75 course fee covers dessert each evening and course materials. (That works out to under \$10 per evening!) Childcare is available at \$5/child/night extra, and can be paid at the session. Some scholarships are available.
